Dear Al Little,

The purpose of this email is to update all project entrants on the progress of your entry in the 2004 CIPA competition.

On behalf of Cappgemini Canada Inc. and our Diamond sponsors of the Canadian Information Productivity Awards, please accept our congratulations on achieving Finalist status in this year's judging process. CIPA 2004 attracted an exceptionally large and impressive field of projects. Achieving Finalist status is indeed a significant accomplishment.

As a Finalist your project is now under the close scrutiny of the CIPA National Judging Panel and in the final running for a 2004 CIPA Award of Excellence. For an update on the judging process and a detailed list of finalist projects still in the competition, please go to www.cipa.com.

CIPA 2004 Winners will be announced on September 29th at our Finalist Reception (6:30pm – 8:00pm) at the Vaughan Estate located on The Estates of Sunnybrook www.estatesofsunnybrook.com. You are invited to attend. To assist time scheduling, a pdf of the reception invitation mailed to you is attached. Please rsvp to Emily.mcconnell@cipa.com of your availability to attend.

For Finalists who are unable to attend, CIPA will be contacting you on Thursday, September 30th to advise you of the list of 2004 Winners announced at the Reception.

Again, our sincere congratulations on your successful progress in the 2004 CIPA competition.

Yours truly,
